ORDER

On February 6, 2025, the Findings, Conclusions and Recommendation of the United States Magistrate Judge (“Report”) (Doc. 16) was entered, recommending that the court reverse the decision of the Acting Commissioner of the Social Security Administration (the “Commissioner”); and remand this social security appeal for further administrative proceedings consistent with the Report. No objections to the Report were filed.

After considering the pleadings, file, record, and Report, the court determines that the magistrate judge’s findings and conclusions are correct, and **accepts** them as those of the court. Accordingly, the Commissioner’s decision is **reversed**, and this case is **remanded** for further administrative proceedings consistent with the findings and conclusions set forth in the Report.

It is so ordered this 21st day of February, 2025.
